Science of cities showed us to help

**Organizations of all kinds:
businesses, non-profits, teams,
clubs, work groups, and others**

The people, who are grouped
into communities by the
things they have in common

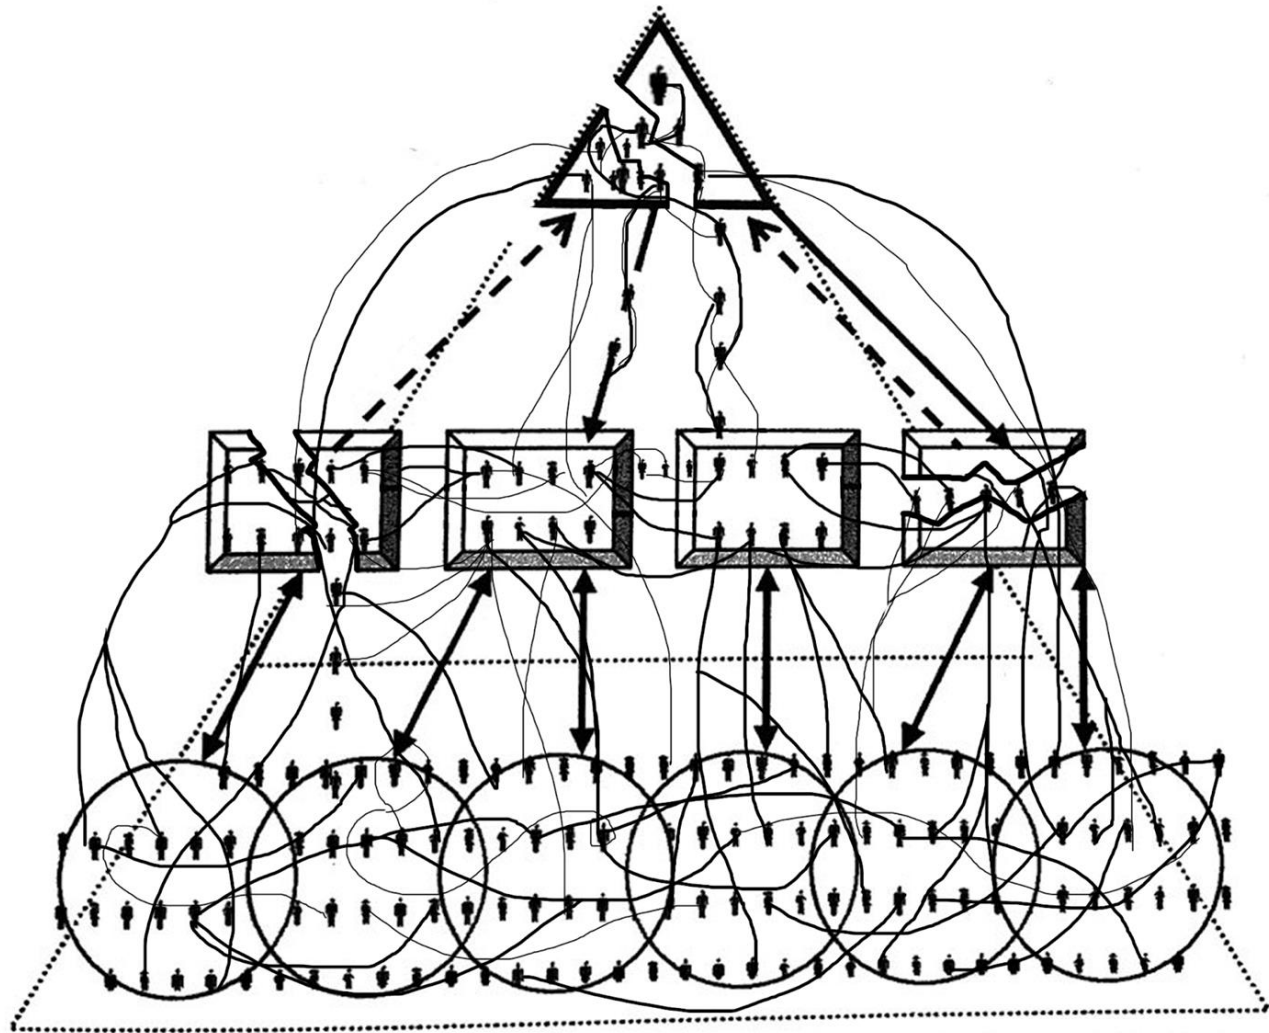

Milton Glaser's Unseen Design for New York: 'Together'

A conversation with the graphic designer, who, until his death at 91, was still thinking about how his craft could help his beleaguered city.

*This is my idea
of a better city
in the future
I hope to see
it in 10 years*

IMAGINE

ALEXANDER

*Keep working
the world of love
in there and
everyone can
grow for better
and an outcome
of a better city
I hope to see
it in 10 years*

*Thank you for
the walk
I hope to see
it in 10 years
I hope to see
it in 10 years*
